Botany Downs  
MANUKAU 2163

**Trade Name:** Evaporator Coil Cleaner  
**Description:** Coil Cleaner  
**Code:** C 101-47

**Approvals:**

This compound is approved for use in premises processing all animal product except dairy, operating under the Animal Products Act regime.

This approval is under the following regulations and notices, subject to the conditions stated in this approval:

1. Regulation 11(4)(b) of the Animal Products Regulations 2000 and Regulation 18(4)(b) of the Animal Products (Regulated Control Scheme - Limited Processing Fishing Vessels) Regulations 2001
2. Clause 4(1) of the Animal Products (Specifications for Limited Processing Fishing Vessels) Notice 2005, Clause 3(1) of the Animal Products (Specifications for Products Intended for Human Consumption) Notice 2004, Clause 4(1) of the Animal Products (Specifications for Products Intended for Animal Consumption) Notice 2006

**Conditions:**

This must be used in accordance with the following special conditions:

Evaporator Coil Cleaner may be used on refrigeration systems in all areas. All exposed product must be removed from the room during application of the compound to the evaporators. A copy of this letter must be available to the Inspector of the premises.

This approval may be withdrawn at any time due to unapproved directions for use, or unsatisfactory performance, or any change in product formulation. The Branch Planning, Systems & Support Directorate must be notified if the holder of this approval wishes to transfer their products to another entity.

The product must be used in accordance with the manufacturer's instructions and specifications. The label may include a statement to the effect that the product is approved for use in premises registered under the Animal Products Act regime. Any statements made, however, must include the approval code and must be limited to the following unless otherwise specified:

MPI Approved C 101(All animal product except dairy)
